in their professional lives courtroom lawyers must do these two things well speak persuasively and write persuasively in this noteworthy book two noted legal writers systematically present every important idea about judicial persuasion in a fresh entertaining way the book covers the essentials of sound legal reasoning including how to develop the syllogism that underlies any argument from there the authors explain the art of brief writing especially what to include and what to omit so that you can induce the judge to focus closely on your arguments finally they show what it takes to succeed in oral argument

a major statement from one of the foremost legal theorists of our day this book offers a penetrating look into the political nature of legal and especially judicial decision making it is also the first sustained attempt to integrate the american approach to law an uneasy balance of deep commitment and intense skepticism with the continental tradition in social theory philosophy and psychology at the center of this work is the question of how politics affects judicial activity and how in turn lawmaking by judges affects american politics duncan kennedy considers opposing views about whether law is political in character and if so how he puts forward an original distinctive and remarkably lucid theory of adjudication that includes accounts of both judicial rhetoric and the experience of judging with an eye to the current state of theory legal or otherwise he also includes a provocative discussion of postmodernism ultimately concerned with the practical consequences of ideas about the law a critique of adjudication explores the aspects and implications of adjudication as few books have in this century as a comprehensive and powerfully argued statement of a critical position in modern american legal thought it will be essential to any balanced picture of the legal political and cultural life of our nation

an advocate submits a brief to a court or tribunal to persuade it to decide the cause or matter in favor of the advocates client or position the key word is persuade too often advocates forget this and write to please themselves they write to themselves instead of to the court they write in chest thumping prose and style advocates will do well to keep in mind that in advocacy persuasion is all that matters this book teaches persuasive written advocacy it shows advocates of all ranks in all jurisdictions in all proceedings before all courts or tribunals how to prepare and present winning and winsome arguments because of its emphasis on winning the books pedagogy blends law linguistics logic psychology rhetoric and semantics

the leading guide to clear writing startfragment and clear thinking startfragment in the legal profession for more than two decades now newly updated admirably clear concise down to earth and powerful all too often legal writing embodies none of these qualities its reputation for obscurity and needless legalese is widespread since 2001 bryan a garner s legal writing in plain english has helped address this problem by providing lawyers judges paralegals law students and legal scholars with sound advice and practical tools for improving their written work now the leading guide to clear writing in the field this indispensable volume encourages legal writers to challenge

conventions and offers valuable insights into the writing process how to organize ideas create and refine prose and improve editing skills accessible and witty legal writing in plain english draws on real life writing samples that garner has gathered through decades of teaching experience trenchant advice covers all types of legal materials from analytical and persuasive writing to legal drafting and the book s principles are reinforced by sets of basic intermediate and advanced exercises in each section for this third edition garner has retained the structure of the previous versions with updates and new material throughout there are new sections on making your writing vivid and concrete and on using graphics to enhance your argument the coverage and examples of key topics such as achieving parallelism avoiding legalese writing effective openers and summaries and weaving quotations into your text have also been expanded and the sample legal documents and exercises have been updated while newly added checklists provide quick summaries of each section altogether this new edition will be the most useful yet for legal professionals and students seeking to improve their prose

forensic science evidence and expert witness testimony play an increasingly prominent role in modern criminal proceedings science produces powerful evidence of criminal offending but has also courted controversy and sometimes contributed towards miscarriages of justice the twenty six articles and essays reproduced in this volume explore the theoretical foundations of modern scientific proof and critically consider the practical issues to which expert evidence gives rise in contemporary criminal trials the essays are prefaced by a substantial new introduction which provides an overview and incisive commentary contextualising the key debates the volume begins by placing forensic science in interdisciplinary focus with contributions from historical sociological science and technology studies its philosophical and jurisprudential perspectives this is followed by closer examination of the role of forensic science and other expert evidence in criminal proceedings exposing enduring tensions and addressing recent controversies in the relationship between science and criminal law a third set of contributions considers the practical challenges of interpreting and communicating forensic science evidence this perennial battle continues to be fought at the intersection between the logic of scientific inference and the psychology of the fact finder s common sense reasoning finally the volume s fourth group of essays evaluates the limited success of existing procedural reforms aimed at improving the reception of expert testimony in criminal adjudication and considers future prospects for institutional renewal with a keen eye to comparative law models and experiences success stories and cautionary tales

forensic science laboratories reputations have increasingly come under fire incidents of tainted evidence false reports allegations of negligence scientifically flawed testimony or worse yet perjury in in court testimony have all served to cast a shadow over the forensic sciences instances of each are just a few of the quality related charges made in the last few years forensic science under siege is the first book to integrate and explain these problematic trends in forensic science the issues are timely

and are approached from an investigatory yet scholarly and research driven perspective leading experts are consulted and interviewed including directors of highly visible forensic laboratories as well as medical examiners and coroners who are commandeering the discussions related to these issues interviewees include henry lee richard saferstein cyril wecht and many others the ultimate consequences of all these pressures as well as the future of forensic science has yet to be determined this book examines these challenges while also exploring possible solutions such as the formation of a forensic science consortium to address specific legislative issues it is a must read for all forensic scientists provides insight on the current state of forensic science demands and future direction as provided by leading experts in the field consolidates the current state of standards and best practices of labs across disciplines discusses a controversial topic that must be addressed for political support and financial funding of forensic science to improve

the new department of justice manual third edition takes you inside all the policies and directives outlined in the latest u s attorneys manual used universally by the doj in civil and criminal prosecutions along with comprehensive coverage of all the information relied on by today s doj attorneys this guide offers you other valuable doj publications in the form of annotations you ll find the asset forfeiture manual the freedom of information act case list and merger guidelines and it s all incorporated in a comprehensive six volume reference you ll discover how to request immunity for clients using actual terminology from factors that doj attorneys must consider phrase a foia request so as to avoid coming within an exempted category of information draft discovery requests using terminology to avoid triggering an automatic denial by the doj counsel clients on doj investigative tactics and their significance using actual doj memoranda develop trial strategies that exploit common problems with certain methods of proof and kinds of evidence offered by the government propose settlements or plea bargain agreements within the authority of the doj attorney handling the case this new third edition of department of justice manual has been expanded to eight volumes and the materials have been completely revised to accommodate newly added materials including the text of the code of federal regulations title 28 and judicial administration as relevant to the enforcement of the federal sentencing guidelines by the department of justice the manual for complex litigation and the united states sentencing commission guidelines manual the new edition also includes the national drug threat assessment for fiscal year 2011 and the updated version of the prosecuting computer crimes manual in an effort to provide you with the best resource possible as part of the third edition the commentaries in each volume have been renumbered to refer to the relevant section in the united states attorney and s manual for more efficient cross referencing between the manual and the commentaries

some vols include reports of proceedings of the mid winter meeting
